Weimar ISD Mission Statement

Statement of Purpose

Weimar ISD is committed to the goal of providing quality education for every student in the district. To this end, we want to establish partnerships with parents and with the community. Neither home nor school can do the job alone. Parents play an extremely important role as the children's first teachers. Their support for their children and for the school is critical to their children's success at every step of the way. The purpose of parent involvement is to promote a school-home partnership that will help all students on all campuses succeed. Everyone gains if school and home work together to promote high achievement for our children. Grade level goals for the students of Weimar ISD will be distributed to all parents in the district, with the expectations that all students will work toward these goals. We recognize that some students may need the extra assistance available through the Title I program, as well as other programs, to reach these goals.

1. Weimar ISD will reach out to all parents and family members and implement programs, activities, and procedures for the involvement of parents and family members in programs consistent with the requirements of ESSA Section 1116. Such programs, activities, and procedures shall be planned and implemented with meaningful consultation with parents of participating children. Section 1116 (a)(1)

The goal is a school-home partnership that will help all students in the district succeed. Parents and district personnel will meet to develop our district's Parental Involvement Policy. Parents will be invited from each

Partnerships with parents and the community are essential to accomplish this goal.
