## *WJH Gives Thanks*

It's hard to believe that 11 weeks of school have already come and went. That 'ole saying, "Time flies when you're having fun!" sure holds true for Weimar Junior High.

These past eleven weeks have been remarkable for the students of WJH. From academics to athletics to extra-curricular activities, the Fifth, Sixth, Seventh, and Eighth Grade Classes have soared and achieved goals at great levels of academic achievement.

On and off the playing field, the students and staff of Weimar Junior High continue to "rock" the educational spectrum.

As we reflect upon the wonderful and awesome happenings which occur daily at WJH, many individuals come to mind in which our true appreciation must be expressed.

To the students, we give thanks for your smiles and laughter, your wittiness, and your abundant joy of learning. Without you, Weimar Junior High would not be what it is today...an awesome school filled with the greatest students in the world!

To the parents, we give thanks for your love, your devotion, and your support. Without you, Weimar Junior High would

not have the opportunity to have your kind, wonderful, and full of life student(s) walk into our classrooms.

To the faculty and staff, we give thanks for your passion, commitment, and dedication to our students. Without you, Weimar Junior High would not have the excitement, engagement, and educational successes that encompass this school.

At this time of Thanksgiving, we are reminded of life's blessings and the friendships and memories that are forever cherished. From our Weimar Junior High Family to yours, we wish you a very Happy Thanksgiving.

*In all things...  
Give Thanks!*
