**Dear Parents and Guardians,**

Welcome to the 2020-2021 school year at Weimar Elementary School. This year presents unique opportunities and challenges for all of us. Collaboratively, we are responsible for how our students will learn and be supported through this pandemic. The staff at WES and I look forward to the new challenges and the ability to use our collective trials and lessons learned from the end of school last year to move forward with engaging lessons that contribute to your child's academic success and social/emotional well-being.

We invite you to become an active participant in our school community. There will be a campus newsletter sent home each grading report period that will keep you informed of events and learning opportunities available at WES throughout the school year. Teachers use Remind (mobile messaging platform) to share messages and important reminders with parents. It is crucial that you maintain this connection throughout the school year.

Information about Weimar ISD is uploaded on our district webpage at [www.weimarisd.org](http://www.weimarisd.org) frequently. Staff websites can be found here also. Weimar ISD has a Facebook page and WES Parent Teacher Organization (PTO) has a Facebook page as well. Please follow these pages for information, current events, and student work displays.

Our incredible staff and I feel privileged to be a part of this WES school family. We thank you for your continued support and look forward to an incredible school year. Our theme this year is GROWTH MINDSET. Join us as we grow and flourish this school year.

**Respectfully yours,**

**Kristy Janecka**  
**Principal**
