

'Lunch with Your Student on their Birthday'

Parents are able to come eat breakfast or lunch with their child on their birthday at Weimar Elementary! Students with a summer birthday can have their parents pick a day to come eat lunch with them throughout the school year. Parents may bring lunch for their child, as well as themselves to eat, OR parents are able to request a tray from the cafeteria, which costs \$1.85 for breakfast, and \$3.75 for lunch. Here is how:

1. Ring the doorbell to the office, and personnel will let you in the front door.
2. Bring your driver's license into the front office and office staff will assist you signing in and creating a name tag for you to wear on your shirt. Leave your license in the office.
3. Eat breakfast or lunch with your child in the cafeteria.
4. Return to the office and check-out before you leave. Don't forget your license!

Breakfast is served 7:30-7:50 every morning.
